"Look at the birds of the air" writes Matthew. That is just what we do throughout the Bird Tales course. By stepping into the fascinating world of the birds we will discover some lasting truths about the endless love of Jesus. Each lesson is introduced with a different part of a bird's life, such as its need for daily food, its love for praising God, its hope for a safe nest, and spreading its wings for the very first time.

Spread your wings . . . we're about to fly!

Day 1

**The Lost Sheep
(God Loves Me)**
Birds of the air live a carefree life because God watches over them.

Day 2

**Jesus Heals the Boy
(God Gives Me His Word)**
Bird nests must be strong to withstand the wind and weather, yet even they do not last forever. God's Word does last forever.

Day 3

**Zacchaeus Climbs a Tree
(Listening to Jesus)**
Birds love to eat and fill their tummies with good food. Our souls also hunger for the Word of God.

Day 4

**The Lame Man Praises God
(Praising Jesus)**
We love to hear the birds sing. We can also sing and praise God for all the blessings he has given us.

Day 5

**The Good Samaritan
(We Tell Everyone)**
Just as young birds learn to fly, so we learn to use our wings to tell others about Jesus' love.
