Here's a great culinary hit with all the fixin's! This course is centered on food, from the opening devotions presented just like a TV cooking show where real Bible times food is prepared, to the printable recipe book the children get to take home. Each day a different main course is served as we learn the truths of God's Word. We will see Jesus give a super-sized picnic; thin and crispy manna being sent from heaven; a hot drink prepared by Moses as he melted the golden calf for the people to drink; a hold the onions day as Martha learns about the one thing needful; and a finger licking lesson as Jesus prepares breakfast for his disciples.
